Arin Arjani

Las Vegas, NV | 702-530-5604 | arinarjani@gmail.com | arinarjani.github.io |
https://github.com/arinarjani

Objective

Eager to apply my recently learned web development knowledge to real world, impactful, projects that push me and help others. Self-taught in this field, and will work hard everyday to learn and grow as a developer.

Skills

ReactJS	JavaScript	HTML / CSS	Github
NodeJS	ExpressJS	MongoDB / Mongoose	Git
Bootstrap	Flexbox	Responsive Design	

Education

College of Southern Nevada   **Las Vegas, NV**

- Associate of Science, Nursing

Projects

YelpCamp	Udemy - Full-Stack Web Developer Bootcamp

- **https://bit.ly/35wvfLk**
- Uses NodeJS, ExpressJS, Mongo / Mongoose, and Bootstrap CSS to create an imaginary campground listing service. Users are able to see pricing and information on the campground
- Created during Colt Steele's Full-Stack web development course

Trading Journal	Idea I had after reading The PlayBook

- **https://github.com/arinarjani/trading-journal**
- I got the idea for this project to improve my trading after reading The Playbook by Mike Bellafiore from SMB Capital.

Work Experience

Aria Resort & Casino   **Las Vegas, NV**
Cook   *April 2015 - Present*

- Consistently executed high volume orders while adhering to proper food handling guidelines
- Maintained knowledge of all menu items and made adjustments per request to ensure customer satisfaction
- Provided excellent customer service under pressure and possessed the ability to attend to customer complaints.

Spring Valley Hospital   **Las Vegas, NV**
RN - Ortho / Surgical   *May 2021 - Present*

- Assessing patients admitted from the PACU for surgeries ranging from lumbar to joint replacements
- Assessing surgical wounds and providing total wound care as needed
- Following all orders for medication administration with collaboration of all the health care team for any needed changes
